An Introduction, a preface, the history of the EAGT, several interviews, many photos of several held tri-annual conferences and writers conference but also our mission.

This book can be bought for 2 prices, namely for € 15,= so we will break even given the made costs but you also buy it for € 20,=, in that case the profit will go to our Human Rights & Social Responsibility (HR&SR) Committee.

For that reason we recommend you to buy the book for **€ 20,=** to support the HR&SR committee in their good work!!

As soon as we have received your payment (via PayPal or bank transfer) we will send you the book BUT you can also buy it during the conference in Berlin at our stand.
